# MOMENTS IN TIME

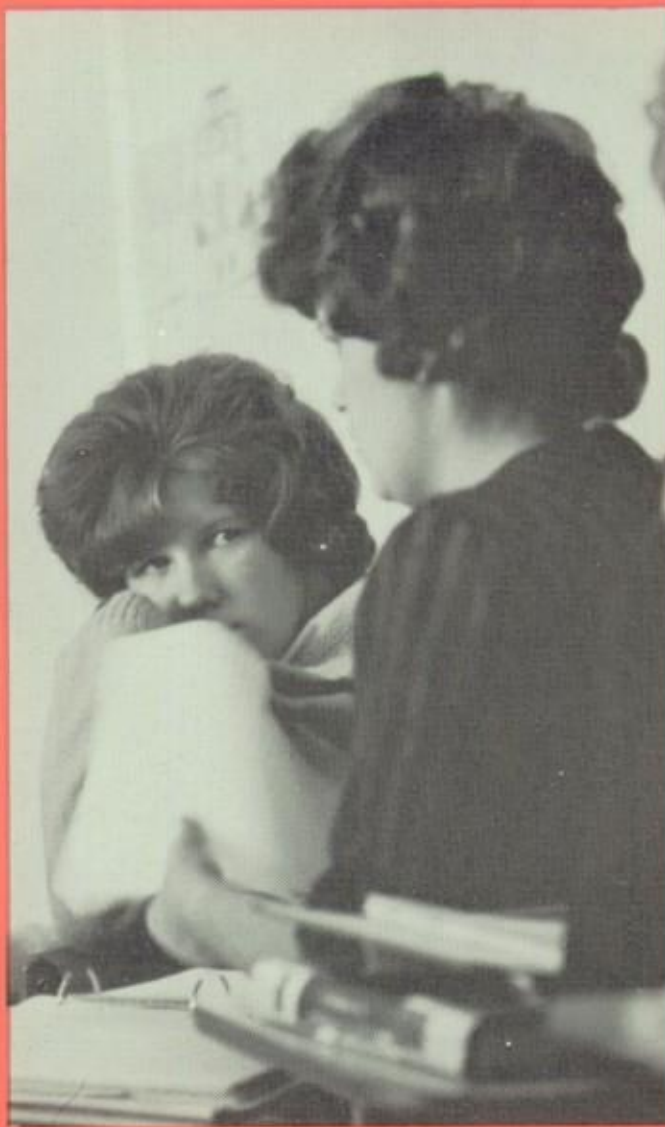

The changes that pass on the face of the earth have always been a baffling mystery to the mind of man. All of our fabulous mechanisms for the measurement of time and space have left the question unanswered. The sun and the seasons, men and machines, systems and institutions all ascribe to the age-old law of change. But just as surely as man-made satellites soar in the heavens, each new generation thrusts its youthful shoulder to the task of arresting the brute force of time. Those golden moments of carefree laughter, the sombre-hued moments of enlightenment and discovery, the shining moments

of friendship and comradeship . . . seem too precious to be drowned in the darkening well of time. One fleeting school year--such a brief moment in time--and yet it is crowded with memories which in other moments will adorn the wall of the long corridor of time. That corridor will always be illumined with clear and bright images. This is the purpose of our yearbook. We cannot stop time in its headlong gallop to infinity, but we can preserve for you, in picture and word, our MOMENT IN TIME. To this purpose, we dedicate the 1965 VALI-HI.

# STORY OF THE MOMENTS OF...

## Silence...

... secret,  
stolen moments  
of solitude broken only by the  
rhythm of a  
heartbeat...  
when we have  
time for hopes  
... and fears  
... and dreams.

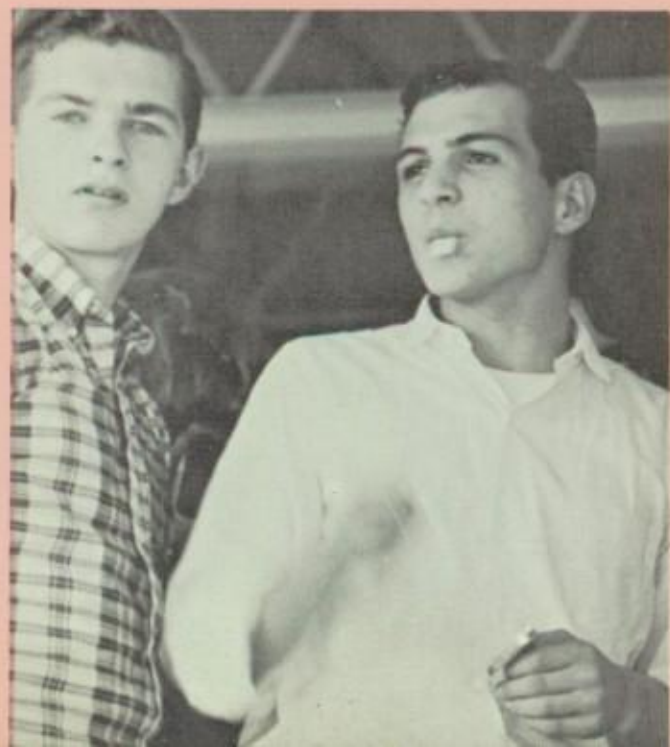

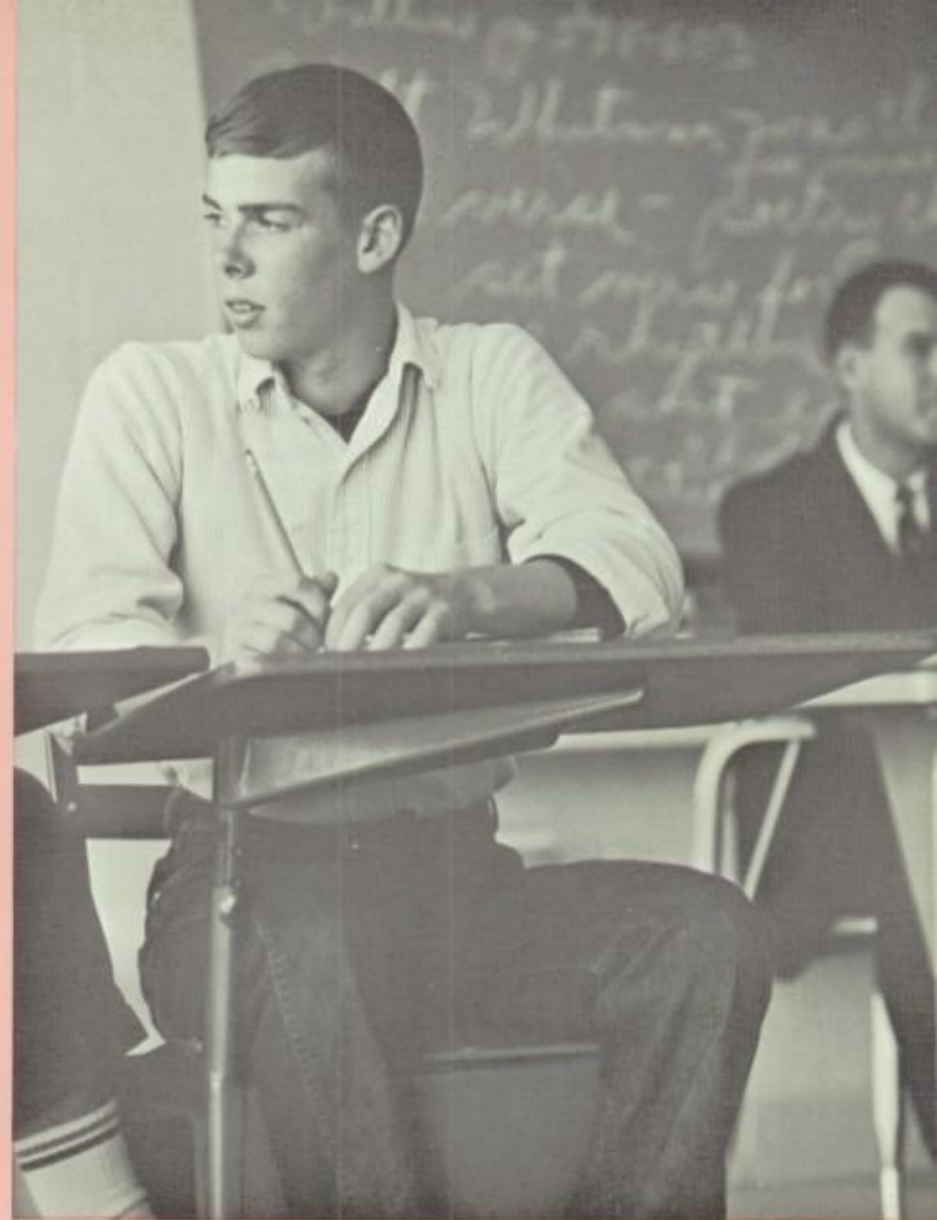

## Companionship. . .

. . . fill our days.  
 Maybe you heard a secret, or  
 laughed . . . or worked out a  
 problem . . . or made a date  
 for Saturday night. Moments  
 reeling through the blur of a  
 busy day . . . but wonderful,  
 because . . .  
 you shared them with a friend.

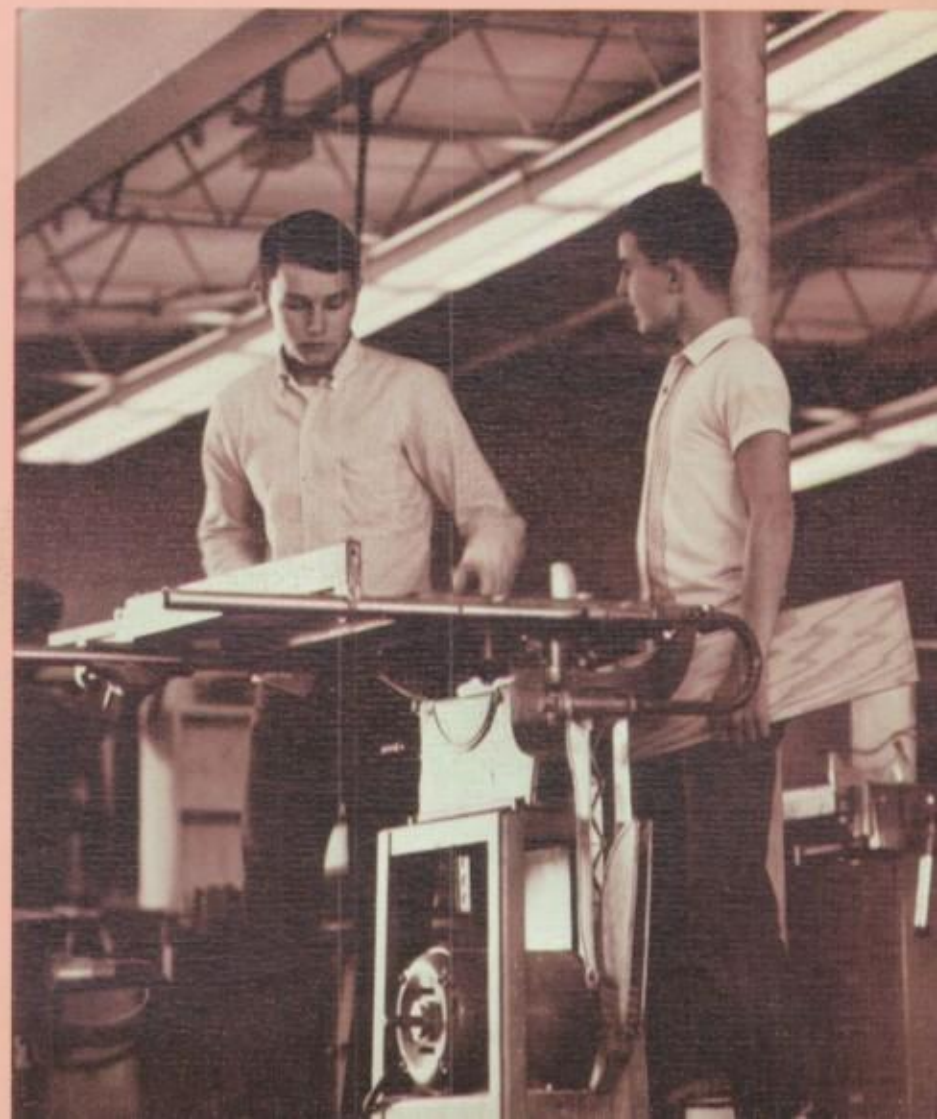

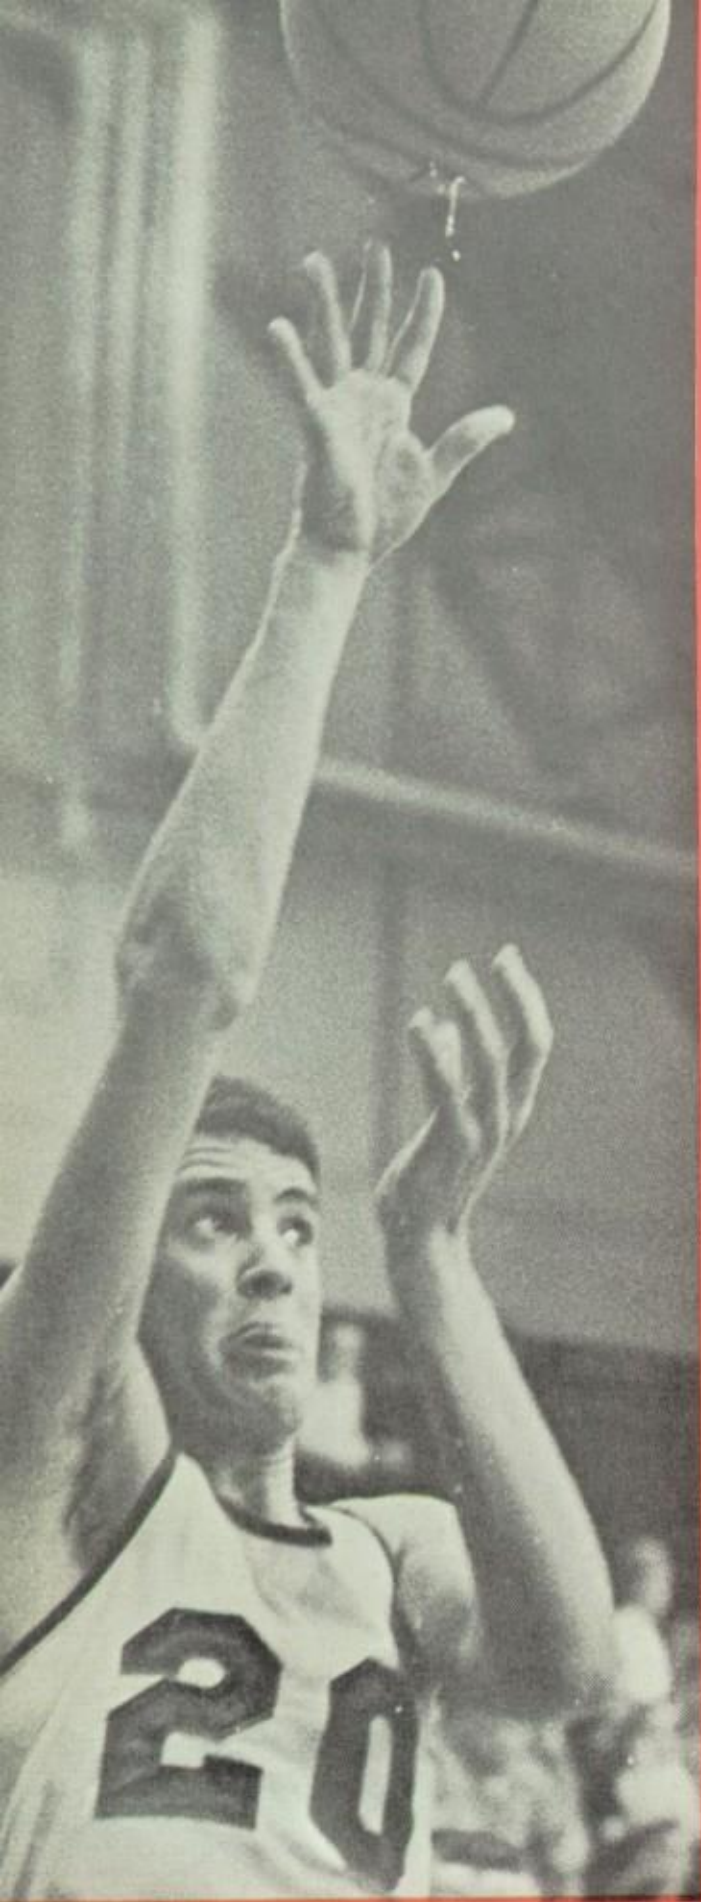

## ...Study... Inquiry...

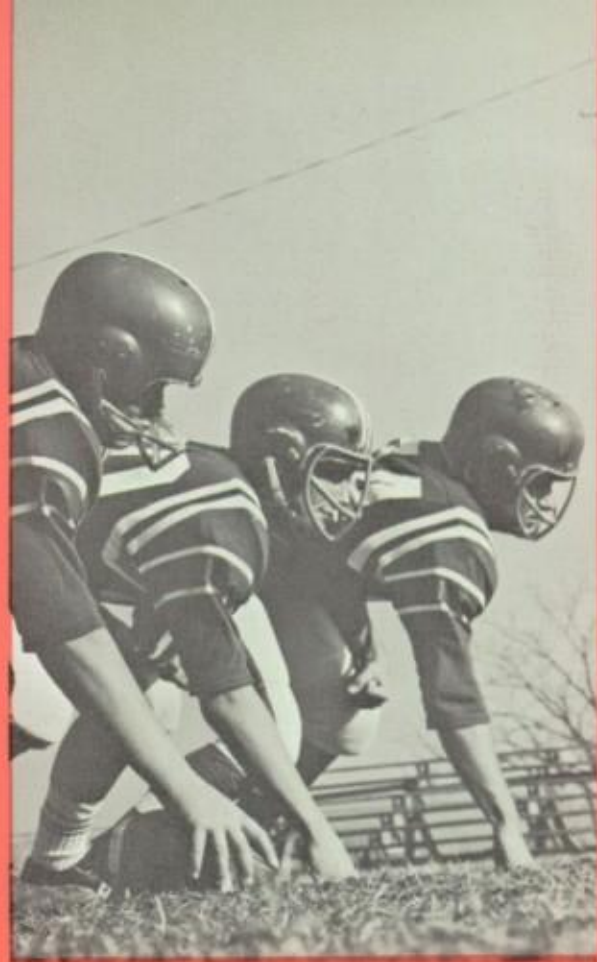

... are characteristic of youth. We faced challenges . . . met questions to be answered. We found the answers everywhere . . . in the forceful explanation of a teacher . . . in the pages of a book we didn't have to read, or even in the admiring eyes of a friend whom we had helped with a problem.

Countless hours . . .  
months . . . years of  
planning and foresight.  
Sturdy walls . . . and  
gleaming halls . . .  
echo the laughter . . .  
reflect the images of  
those who are privi-  
leged to learn . . .  
and grow in an atmos-  
phere which symbol-  
izes the finest educa-  
tional goals of this  
free nation.

...PRIDE  
AND HUMILITY...  
THAT MAKE

## A GREAT SCHOOL.

. . . Who can explain the tears in the eyes of a boy who missed a foul shot . . . or the hoarse voice of a cheerleader who, by sheer force of pep and personality, willed her team to win? Perhaps it is the knowledge every one of us at Licking Valley has played some small part in watching a structure of brick and mortar transformed into a school which is a symbol of our finest aspirations.

## ...GREATEST SEASON YET!

The 1964 Football team under the guidance of Head Coach Tom Walker and assistant coaches Dick Torbert and Tom Ellinger have guided the 1964 team to an outstanding record breaking season. This team finished 4th in the county ranks and set many new school records. These records are as follows:

Team total running 1,594 yards.  
 Team total points in one game - 31.  
 Team total points in one season - 76.  
 Total league games won in one season - 3.

Most touchdown passes for one season - 2.  
 Individual rushing - 953 yards - John McGee.

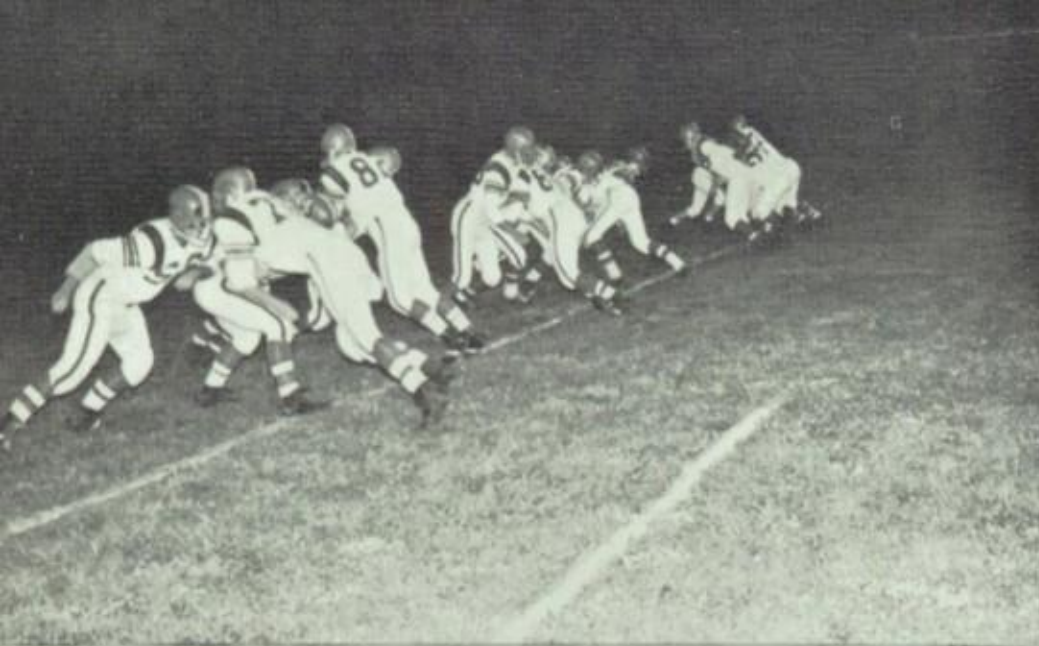

Longest pass for touchdown - 55 yards - Carle to Baughman.

Total tackles by an individual in one game and one season - Game - 21, Season - 177 - Gene Simpson.

Individual scoring - 38 points - John McGee.

We wish to congratulate the team and the coaches for a job well done. We are all looking forward to next season.

# Basketball. . .

The Licking Valley Panthers ended the 1964-65 basketball season with a 16-5 record. Valley was Lancaster sectional champs by defeating Liberty Union and Millersport.

However, they lost their first game in the District to Pleasant from Marion, by two points with a last minute heartbreaker. We're proud of our team though, and we want to congratulate them on the fine job they did.

## COUNTY CO-CHAMPS. . .

The Licking Valley Panthers ended the league basketball season for 64-65 with a 7-1 record.

Their only defeat came at the hands of the Johnstown Johnnies, who also lost one to Utica. This gave Valley the hope they needed and they lasted out the season to become Licking County Co-Champs with Johnstown.

Two top Panther players made the all-county list, Dave Riley and Larry Cullins.

This was Riley's second consecutive season to be chosen for all-county, while Cullins second high scorer in the league, received unanimous choice along with Utica's Bobby Klockner.

Coach Dick Torbert was also selected Licking County's "Basketball-Coach of the year."

Everett Chappellear tries in vain to get past Hornet, Al Almond, in the Valley-Heights game.

Riley and two Millersport players battle for the ball.

John McGee, Tim Johnson, and Tom Carson watch a rough practice.

This year's Eighth and Ninth Grade Teams showed unusually fine talent and should prove to be great competitors as both reserve and varsity ball players.

Both teams showed great team spirit in winning and losing, and each team had its outstanding ball players. For the Eighth grade team the high point man was Rod Lake, and for the Ninth grade squad Kenny Abel held this honor. All of these fine players and this great team spirit showed in their overall records. The Eighth grade sported a total won-lost record of 8-3, while the Ninth graders had a record of 11-3. With fine ball players like these, L.V.'s future in basketball looks mighty good. Congratulations to Coach Van Winkle of the Eighth grade team and to Coach Augenstine of the Ninth grade team.

## Eighth Grade Basketball. .

## THE 1965 L. V. TRACK TEAM. . .

Coach Salina gives hurdler, Jeff Woolard instructions.

## Track. . .

Licking Valley's track team started out to be a young, inexperienced club, but ended the season with a fine mature track team.

Valley never fell to the bottom in a triangular meet nor lost in a dual meet. The highlight of the season was the Granville, Licking Valley meet. The Panthers placed first when they defeated the Blue Aces 64-54.

Junior Carl Holler and Senior Jeff Woolard led the county in both sets of hurdles by scoring a total of 127 points for the season in these two events together.

Team members sprint during practice.

What's wrong Bill, are you shy?

# Baseball. . . .

This year baseball season at Licking Valley was better than average season. There are only four seniors on the team, they are: Gary Benner, Dave Riley, John McGee, and Dick Herron.

Even though Valley lost in the first game of the tournament by a 8-0 score to Liberty Union they are capable of playing much better ball as proven by their play in the County League.

The team has a total of eight lettermen back this year, and three of them are seniors. Next year the team should have a good deal of experience behind them.

## LEADERS. . . Varsity

The 1964-65 cheerleading season began in early August for the varsity cheerleaders, Bev Bebout, captain; Diane Mann, Hope Hardy, Robin Ruffner, Cheryl Evans, and alternate Patti McLaughlin. The time they had awaited all summer was finally nearing. It was August, and the practicing had just begun. From 2:00 P. M. until 5:00 P. M. they worked and practiced until they were very tired. In their minds they were determined to cheer the Panthers to the biggest and best season ever known to L. V. This proved to be true when we played our first game with the Lakewood Lancers and beat them 15-8. The Panthers gave L. V. the best record in its history and they came in 4th place in the county.

The memories were grand but it was over all too soon. The cold nights and our victories and excitement will never be forgotten for all of us, but as all good things, they must soon come to an end. The Basketball team was getting ready to try out and learning more cheers and perfecting the old ones was now the job for them.

To help them learn new cheers the cheerleaders went to Kent State University to the annual cheerleading clinic. Here the cheerleaders learned many new cheers and how to keep the school spirit up, which was vitally important to the teams participating.

# New York. . .

The main event of the L. V. High School Band this year was receiving an invitation to appear at the New York World's Fair from June 2 through June 5, 1965. During the appearance at the fair the concert, marching, and dance band will play many fine selections.

The band members participated in many fund raising projects, such as selling candy, Minstrel tickets, Country and Western tickets, Tupperware, rag and paper drives, and preparing for benefit concerts.

Chaperons and band members attending the fair, found it a quite enjoyable and exciting trip that shall never be forgotten in the history of L. V.

# Debate Team

The first Debate Team at Licking Valley originated from the 1965 senior Speech Class. The advisor was Mr. James Fullen. They had exchange debates with Newark High School and Heath High School.

The National resolution for the 64-65 year was to resolve: that "Nuclear Weapons should be controlled by an International Organization."

The Negation on the resolution was Sherry Bailey, and Jerry Mantonya. The Affirmation was Mark Hale, and Ned Wilson. The "highlight" debate of the year was with Newark High. Our Affirmative team won the debate against Newark's Negative.

## Roman Holiday . . .

Thursday, March 25, 1965, from 3:45 to 6:00 the Licking Valley High School Latin Club held their Roman Banquet. It was held at the Marne E. U. B. Church.

The purpose of the banquet was to celebrate Roman week. Everyone dressed as Romans.

There were about 45 present at the Banquet. The first year Latin Class were slaves to the second year class. The best dressed girl was Beth Galbraith and the boy was Dick Vaiea.

At the end of the Banquet they took Pattie Wachsmen, the worst slave, and put her in chains.

## Senior Play. . .

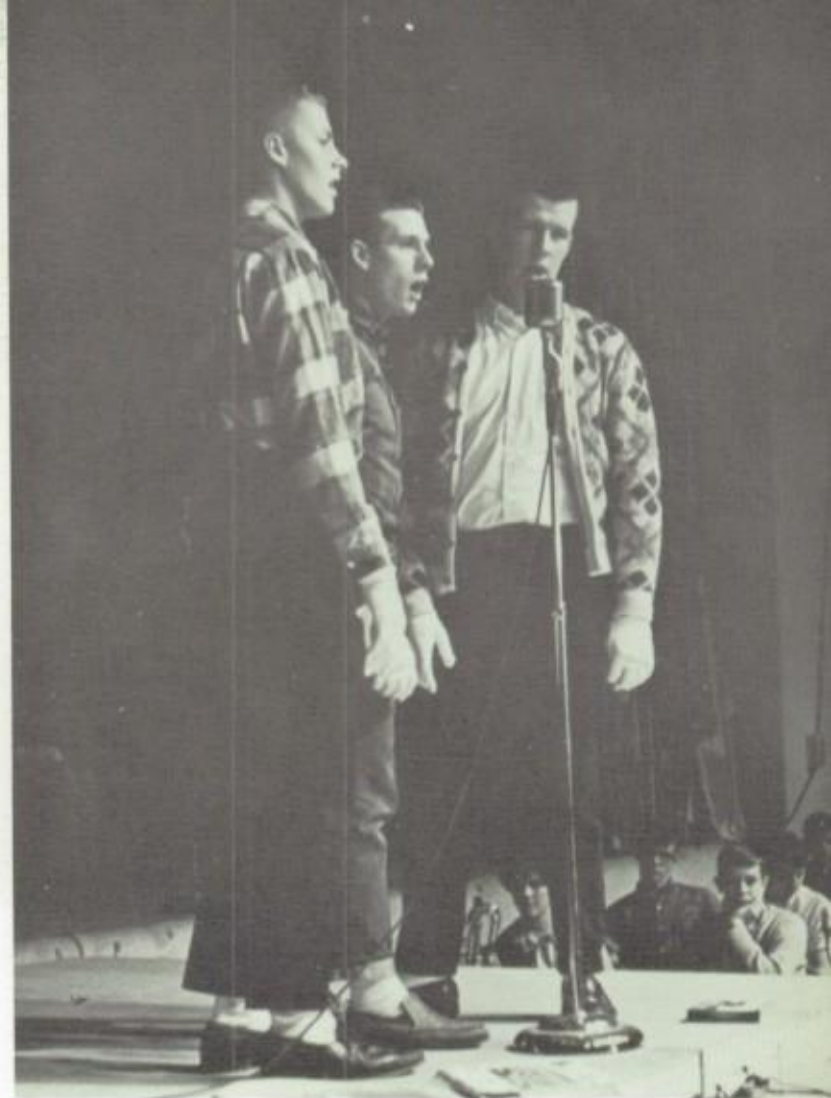

Another first this year at LV was the Senior Class Play under the direction of James Fullen. The play was a mystery-comedy entitled, "Finders Creepers." Among those in the lead parts were Blaine Laughman, Jerry Mantonya, Cassie Derda, Dianne Mann, Bev Bebout, and Dick Hangar. The Seniors did a fine job, and it was enjoyed by all.

The boys' trio of Otis Priest, Dick Hanger, and Dick Murphy were a great success in the minstrel.

This was a big year for Science Fairs at LV. Six students participated in the District Science Day, of which three got Superiors. Phyllis Larson also went on to the State Science Day to receive an excellent rating.

... The members of the 1964-65 Journalism Club worked very hard to achieve the many goals set for them at the beginning of the school year. These were soliciting for ads for the yearbook, publishing the first newspaper of the year, getting subscriptions for the "Ace News," in which articles by Journalism students were published weekly, selling looseleaf notebook paper, publishing the "Roto Newspaper," which contained the newest fads and fashions around the country, publishing the new "Memory Newspaper," printed by Ace News on regular tabloid size-paper, another first at L.V.; and last, the printing of the 1964-65 "Vali Hi" yearbook.

All these goals were well achieved and the Journalism Club for 1964-65 was declared a success.

We also wish to thank Mr. Ed. Satterfield for his many fine photographs used in this and previous year's yearbooks.

The meaning of A Cappella is singing without accompaniment. This year the A Cappella Choir is composed of about 30 members. These members are from chorus and previous members of the Choir. The main highlights of the year were singing at the Farmer's Institute, Baccalaureate and Commencement, and several other places. We also have sponsored a Hootenanny for the past two years. The Administration of Licking Valley High School under the experienced leadership of Mr. Robert Sanders, Executive Head and Mr. Harold Howard, Principal, extended the opportunity for a sound education to all students. They found time for studies, athletics, and school counseling in a well-balanced curriculum.

Mr. James Salina, part-time Guidance Director, spent many hours administering tests, figuring schedules, helping Seniors find jobs, and completing college applications.

To these administrators, we at Licking Valley High School would like to extend our appreciation for this wonderful school year.

Supervisor

The Licking Valley High School supporting staff: cooks, secretaries, clerk, and maintenance personnel all handled their responsibilities in a very efficient manner.

The office personnel-Mrs. Eckard, the high school secretary, handles all the office traffic plus countless other tasks. Mrs. Covey, District Secretary takes care of all incoming and outgoing mail and also attends to secretarial tasks and dictation. Mr. Vinal Varner, District Clerk, takes care of the money situation at L. V.

The persons responsible for our nutrition are Mrs. Ila O'Flaherty, Mrs. Margaret Willey, Mrs. Francis Carson, and Mrs. Mildred Carle. They give the cafeteria a sunny atmosphere with their smiles and good food.

Mr. Harold Miller, with the assistance of Mrs. Miller, Mrs. Ashcraft, and Mrs. Willey, keep our school neat, clean, and make it a place to be proud.

The Senior Class would like to take this opportunity to thank all the Faculty members and Administrators for the wonderful experience of obtaining our education at Licking Valley.

Through the excellent guidance and teachings of the last four years we as members of the class of '65" feel we are ready to take our step into the present day world.

To Mr. Robert E. Sanders, Executive Head, and Mr. Harold Howard, Principal, we would like to say a special thank you for their guidance, understanding, and leadership in academic and extra-curricular activities.

To the two main secretaries of the school, Mrs. Jean Covey, District Secretary, and Mrs. Emma Eckard, High School Secretary, we would like to express our thanks for the help with programs, stencils, notices to parents, and notices to the Senior Class.

Without the friendly smiles in the cafeteria of Mrs. O'Flaherty, Mrs. Carson, Mrs. Willey, and Mrs. Carle our school day would be incomplete. Thanks for the great meals that were served in the school cafeteria.

Thanks to the personnel who kept the school tidy and clean at all times so we could have a school to be proud of when visitors arrived.

# UNDERCLASSMEN

# JUNIORS . . . achieve an outstanding year. . . .

Under the leadership of their capable class officers, Gary Westbrook, Carol Rogers, Cheryl Evans, and Curtis Holman, along with the guidance and interest on behalf of their advisors, the Junior Class triumphantly met each trial and problem which came before them.

The Junior Class, commonly known as the money making class had many projects. They raised funds by a magazine sale, window cleaner sale, and the Junior Class Play. Not only were the Juniors great moneymakers, but they also showed perseverance and drive to complete the arrangements for the Junior-Senior Prom.

The Junior participation was greatly felt in the past school year. Their ability and skill was displayed through athletics and the many letter awards that were won. The scholastic aptitude of the class is shown by their participation in the County Honor Society, scholarship test, and the Honor Roll.

The Juniors also took part in plays, concerts, science fairs, and extra-curricular activities which proves the well-rounded character of the Juniors.

After a very successful and rewarding year, the Junior Class is eagerly waiting to become Seniors.

JOHN RAY CRAWFORD

Eternal mysteries of God  
Men do not comprehend  
Our minds are weak, our faith is small  
Ignorance is our trend.

His mighty will we sometimes deem  
A mistake to employ  
Among those things our hearts can't  
grasp  
The death of a young boy.

How can we know the pattern true  
When we just see in part?  
Can we expect to understand  
The beating of God's heart?

The precious flowers that are plucked  
here  
Bloom somewhere up above  
In the Everlasting Garden  
In the sunshine of God's love.

# SOPHOMORES

## begin new experiences. . .

As Sophomores, the class of 1966 will have sincere memories of their past year that will be remembered time and time again in the future. As a part of the student body of Licking Valley, the Sophomores have accepted and assumed their responsibilities with great enthusiasm and ambition.

The class was under executive leadership of: Joe Baughman, President; Virgie Binckley, Vice-President; Linda Duvall, Secretary; and Bonnie Harrison, Treasurer.

During the past year the Sophomores' abilities have reflected all phases of school life. The honor roll demonstrated the excellent scholastic aptitude of this class. Many have participated in several of the extra-curricular activities of the year: F.H.A., F.F.A., F.B.L.A., Varsity Club, Band, Chorus, and Student Council. Some of the sportsminded sophomores received outstanding recognition in football, baseball, basketball and track.

The "highlights" of the year were ordering class rings, electing class officers, cheerleader tryouts, presenting plays, and the annual Science Fair.

As the school year begins, the Freshmen get their first real experience of high school life.

The Freshmen have made themselves very well-known by their participation in all the activities--football, basketball, baseball, track, and the clubs and music--as well as in scholastic work. They have had the fun of being initiated into the various organizations and have cheered the Panthers on to victory at the games.

Homecoming attendant from the Freshman class was Diane Carpenter. They were also equally represented in student council, Science Fair, and scholarship test.

The eagerness with which the Freshmen arrived has not ebbed, and they participated in their activities very widely and enthusiastically. In the oncoming three years we feel sure that their freshness of spirit, duty, and loyalty will persist.

Next year they will arrive with a full knowledge of the responsibility they face as sophomores. With this fact in mind we know that this class will issue forth many capable leaders and followers in the future.

# EIGHTH GRADE...

adjust to...

New Surroundings...

As the Eighth graders entered the high school they found themselves surrounded by a new and exciting atmosphere.

All through the year, the Eighth graders fit themselves into the everyday life of high school activities. They proved their outstanding abilities by participating in the County Spelling Bee, Science Fair, Y-Teens, GAA and Student Council. Ellen Montgomery placed 9th and Carol Burch placed 10th in the County Spelling Bee; Karen Bunning received Superior on her Science Fair project and the Junior Y-Teens participated in the Lily Day Queen. The Eighth grade basketball team placed second in the County.

The class officers were Rod Lake, Donna Keller, Barbara Esworthy and Bruce Varner.

As the Eighth graders look forward to their high school years, they can still be proud of their accomplishments.
